

# Zertifikat

TÜV Saarland e.V. certifies that

**Saapor Klaus Eckhardt GmbH**  
Neunkirchen Kunststoffe KG  
Im Krummeg 3-7  
66539 Neunkirchen  
GERMANY

for the scope of application:

---

**toxicologically harmless**  
**XPS / EPS decorative mouldings and EPS decorative**  
**elements**

---

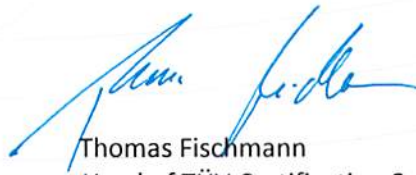

has successfully passed the test. The emission behaviour of the above-mentioned products with respect to organic substances was examined as part of the test. The results of the tests certify that the products do not display any relevant emission potential from a toxicological point of view.

This **Certificate No. 2712** is only valid together with the **Audit Report 15-AB-0512** and is valid from **12.11.2015** until **30.11.2018**.

Sulzbach, 12.11.2015
